14. [REDACTED] LEGISLATION Dropped off with Guy McConnell, Clerk, Senate Appropriations Committee, a blind memorandum on the Agency's position on a proposed amendment to the Defense Appropriations bill. The amendment, by Senator Richard Schweiker (R., Pa.), would require GAO audits of all unvouchered funds.

11. [REDACTED] LIAISON Talked further with Mike Oppenheimer, GAO, concerning GAO's request for Agency documents relating to the Mayaguez incident, and he found no trouble at all with my suggestion that he put his request into writing, preferably from Comptroller General Staats to Mr. Colby.

I also talked with Czarnecki about the conversations we have had with Mike Oppenheimer, GAO who is looking into the Mayaguez incident for Mr. Fascell's Subcommittee on International Political and Military Affairs. I told Czarnecki we had been working with the National Security Council staff in providing material on this, but we would prefer to deal directly with the Committee and not to channel the material through GAO. Czarnecki said he was sure that would be satisfactory but suggested we clear this approach with Mr. Fascell.
